

Resolution to Repeal SB 54

WHEREAS, the Utah Republican Party and other recognized political parties are private corporations and have the Constitutional right to define membership, policy, platform and to conduct its internal affairs in accordance with the law of the land;

WHEREAS, the Utah State Legislature has overstepped its constitutional authority to compromise the right for private political corporations to have equal protection and access under the law that no private corporation would tolerate if so challenged;

THEREFORE, BE IT RESOLVED THAT the Utah Republican Party calls upon the Utah State Legislature and the Governor act in the next special or regular legislative session to repeal SB 54 and restore the constitutional right to freely assemble.
